SIR, 83 of 00

I have the honour to forward herewith an extract from the Register of applications for Medical Scholarships of this year, and to inform you that of the 14 applicants 12 are Brahmins one is a Native Konkani Christian and one a Coorg The last is not entitled to a scholarship as he is not a native of Mysore Applicant No 2 Elias I E Brito, is a Native Christian and claims a scholarship on the ground that his father was a Coffee Planter in Mysore for more than thirty years The family of the applicant however appears to be settled in Bangalore and the Coffee estates have become a subject of litigation The family has become so much impoverished at present that the widowed mother of the applicant is unable to afford the cost of his medical education Brito has passed only the F A Examination I leave it to the decision of

of Government whether under these circumstances Brito should be selected for a scholarship, chiefly for the reason that he is a Native Christian

2 The applicants that have the highest educational qualifications are the following and would deserve for that reason to be awarded scholarships

1 S Narayana Rao B A
2 B Krishnamurti Rao B A
3 Putty Krisna Rao B A

All the above three applicants are Brahmins

3 If Elias T F Brito is granted a scholarship S Narayana Rao B A whose optional subject was Geology may be left out and B Krishnamurti Rao B A and Putty Krisna Rao B A who have passed in Physics may be granted scholarships

4. The Medical College reopens on the 1st July next I request that Government will be good enough to pass early orders on the above proposals which have been approved by Major Smyth officiating Senior Surgeon A copy of the printed notification of the scholarships is herewith enclosed The scholarships are of Rs 25 a month and will be held in the Madras Medical College under the usual conditions for a period of five years commencing 1st July 1901

I have the honour to be
Sir
Your most obedient servant
H J Bhabha
Inspector General
